Re: Gilliland Road House

*Mrs. Sibson*

Mr. Hubbard, the undertaker, called at Mr. Watson's office and in the absence of Mr. Russell Watson, he spoke to Mr. A. D. Watson, giving him the following information which he furnished to me, namely:

On Saturday last Mr. Pfeiffer in his interview had spoken about Charlie Oliver; that Oliver's mental condition is such that it would be useless to interview him. However, Watson Boudinot who formerly had a slaughter house near "Stumpy" Gillins place might be able to give us some information.

I turned this information over to Mr. Morgan for him to follow up.

Respectfully submitted:

D.T.
